POTENTIAL INITIAL PUBLIC OFFERING OF SEMBCORP GREEN INFRA LIMITED – FILING OF DRAFT RED HERRING PROSPECTUS

Singapore, August 27, 2026 – Sembcorp Green Infra Limited, a wholly-owned subsidiary of Sembcorp Industries (Sembcorp) has filed a draft red herring prospectus dated August 26, 2026 in connection with the potential initial public offering of its equity shares (Potential IPO) with India's securities markets regulator, the Securities and Exchange Board of India (SEBI), the National Stock Exchange of India Limited (NSE) and BSE Limited (formerly Bombay Stock Exchange) (BSE).

The Potential IPO will be subject to, among other things, prevailing market conditions, regulatory and internal approvals, and other relevant considerations. No definitive decision has been made in relation to whether, and there can be no assurance that, the Potential IPO will proceed or be completed.

Sembcorp will make the appropriate announcement(s) in accordance with applicable regulatory requirements should there be any material developments. In the meantime, shareholders and investors are advised to exercise caution when dealing in the securities of Sembcorp.

Important Notice:

This announcement does not constitute an offer of securities for sale in any jurisdiction, including the United States, and any securities described in this announcement may not be offered or sold in the United States absent registration under the US Securities Act of 1933, as amended, or an exemption from such registration. There will be no public offer of securities in the United States.

This announcement contains certain statements that are not statements of historical fact, i.e. forward-looking statements. These forward-looking statements are based on current expectations, estimates, projections and assumptions about future events. These expectations, estimates, projections and assumptions are prepared based on current known facts and are subject to the risks (whether known or unknown), uncertainties and assumptions about Sembcorp and its businesses and operations. The factors and events that could cause the current expectations, estimates, projections and assumptions to differ include but are not limited to the following: the general economic and business conditions in India; governmental, statutory, regulatory or administrative changes or initiatives; changes in industry trends, climate changes affecting our renewables projects; liquidity and ability of debt and capital market funding; inflation and rise in interest rates; competition from similar developments; currency fluctuations; and/or changes in tax or similar laws or regulations. The information in this announcement is only current as at the date of its issue. Sembcorp has no obligation to update, revise or supplement any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law.
